Centralia

40th Edition

Central High School

Bay City, Michigan

Introduction

This Centralia is published for you, the students, telling the story of our school life in every phase. We have tried to present a story of Bay City Central in its true character to be used by all to promote not only reading by the student body, but also by the community. We hope that the many firms and establishments that have acknowledged their faith in us by purchasing advertisements in this book will feel that our school has fulfilled its pledge to promote relations between our town and the reputation of Central. This yearbook is meant to be read and enjoyed by all; to be looked over years hence and still bring back the memory of school days; to be a guide for the many incoming students each year; to be a record for permanent use by you and your family and friends; and to be a part of Central.

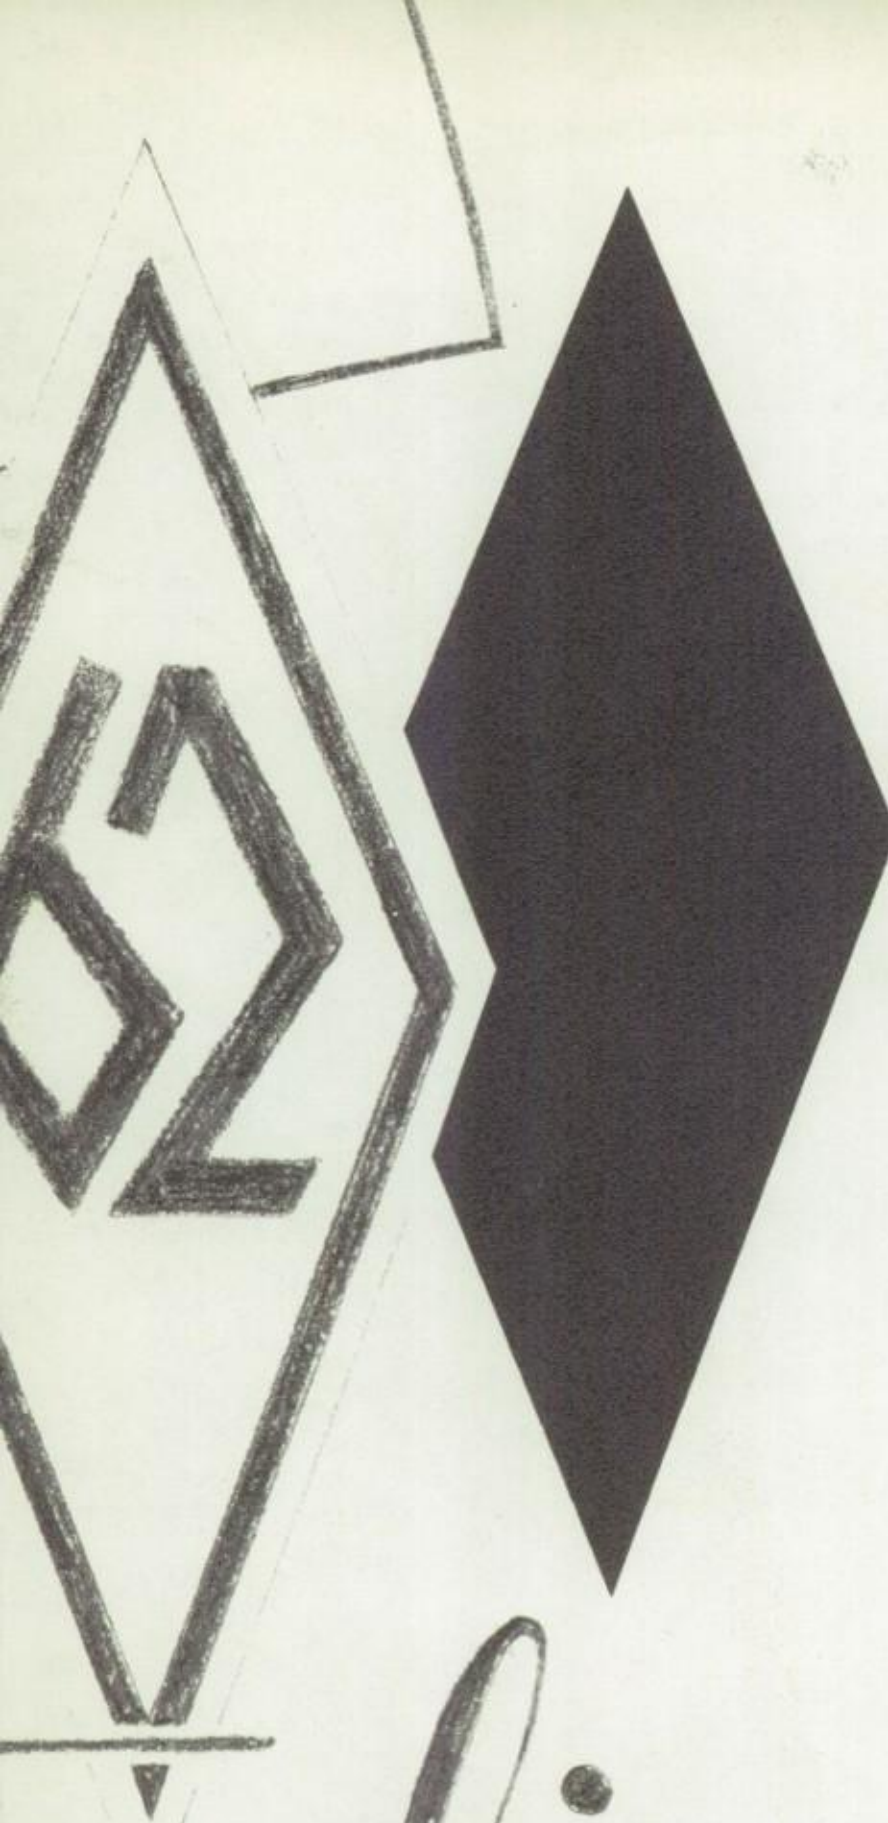

We hope you will read the Centralia with the same pride you take in all other functions of Central.

Carolyn Pett

Silhouettes of C. H. S.

Silhouetted in our busy clicking, minds are memories of classes filled with work and worry, ballgames where we lost our voices, clubs for every interest, and fun with "the gang."

From the first day of school—when the seniors began exercising superiority and wide-eyed freshmen entered the halls of C.H.S.—to the final study hall class, the days were filled to overflowing with fun, excitement, and work.

Some headline happenings of 1961-62 were Homecoming, the Holiday Prom, and the day the juniors got their class rings.

Student opinion still ranks pizza as the No. 1 snack, study hall as the favorite class, and "going steady" as the favorite pastime.

Dirty white sneakers for the boys and knee-ticklers for the girls were considered a "must" in a well-dressed student's wardrobe. The year went too fast for most of us; and soon it was graduation time. With mixed emotions, we recall the events of the past year.

These are the "Silhouettes of C.H.S."

Grates persolvere dignas non opis est nostrae.

Virgil

It is not within
our power to render
fitting thanks.

English translation of headline.

Illo anno discipuli processi dominae Anschutz Aeneid Virgili recitaverunt.

We have dedicated this year's Centralia to one of the finest and one of the most experienced educators in our school system, Miss Irma Anschutz. For over forty years she has devoted her life to teaching Central High School students.

Miss Anschutz came to Central High School when its doors opened in March of 1922. She has taught both in Central High School and the former Bay City Junior College. Prior to coming to Central, she taught in the former Eastern High School.

The subjects which Miss Anschutz

has enjoyed teaching have been Latin and German. Working in three languages a day has not seemed to bother her in the least.

Miss Anschutz has never felt that her education has been completed. She received her Bachelor of Arts and her Master of Arts degrees at the University of Michigan and has done additional graduate work at the University of Colorado.

The hundreds of students that have been fortunate enough to have Miss Anschutz as a teacher remember her as much more than an excellent instructor.

These students cannot forget the understanding, wisdom, and kindness that Miss Anschutz always has shown them; nor can they forget how diligently she has tried to make her students realize their responsibilities as citizens of our community, our state, and our nation. She has been instrumental not only in forming qualified students; she has been instrumental in creating good citizens.

Miss Anschutz will always be locked within the memory of high school days by everyone who has known her. Thank you for your contribution to our school and to our country, Miss Irma Anschutz.

Fraulein Anschutz lehrt ihre Klasse von Deutschland.

Often times the entire Yearbook Staff meets to discuss new ideas for future deadlines or methods to improve past ones.

Mr. Jacobs, the Yearbook Staff advisor.

Yearbook Staff Strives For Excellence

Sometimes there is even time for a little fun mixed in with work, as shown by Jim Knake, Carolyn Pett, Mike Werner, Mary Ann Meyer, and Christine Reer.

Midst rulers, pencils, and paste, the 1962 Yearbook Staff has put forth their best effort to produce a book that Central High School could truly be proud of. Under the pressure of deadlines and copy assignments the pages were pasted up and sent to the publishers. The staff worked toward the goal of giving you a book that would be a record and reminder of your high school days.

However, this book could never have been produced without the leadership of Mr. Jacobs, the Yearbook Staff advisor. The editor, Carolyn Pett, worked to keep the staff united and supervised the mechanics of putting the book together. One of the toughest jobs went to Mike Werner, the copy editor. Jack Shaw handled the advertising section with a lot of success, while Mary Ann Meyer, our busy typist, managed to meet all of our copy deadlines, and Marcia Bammel worked as business manager.

In addition to the staff members mentioned above, there are quite a few remaining who did a lot of hard work and deserve much credit.

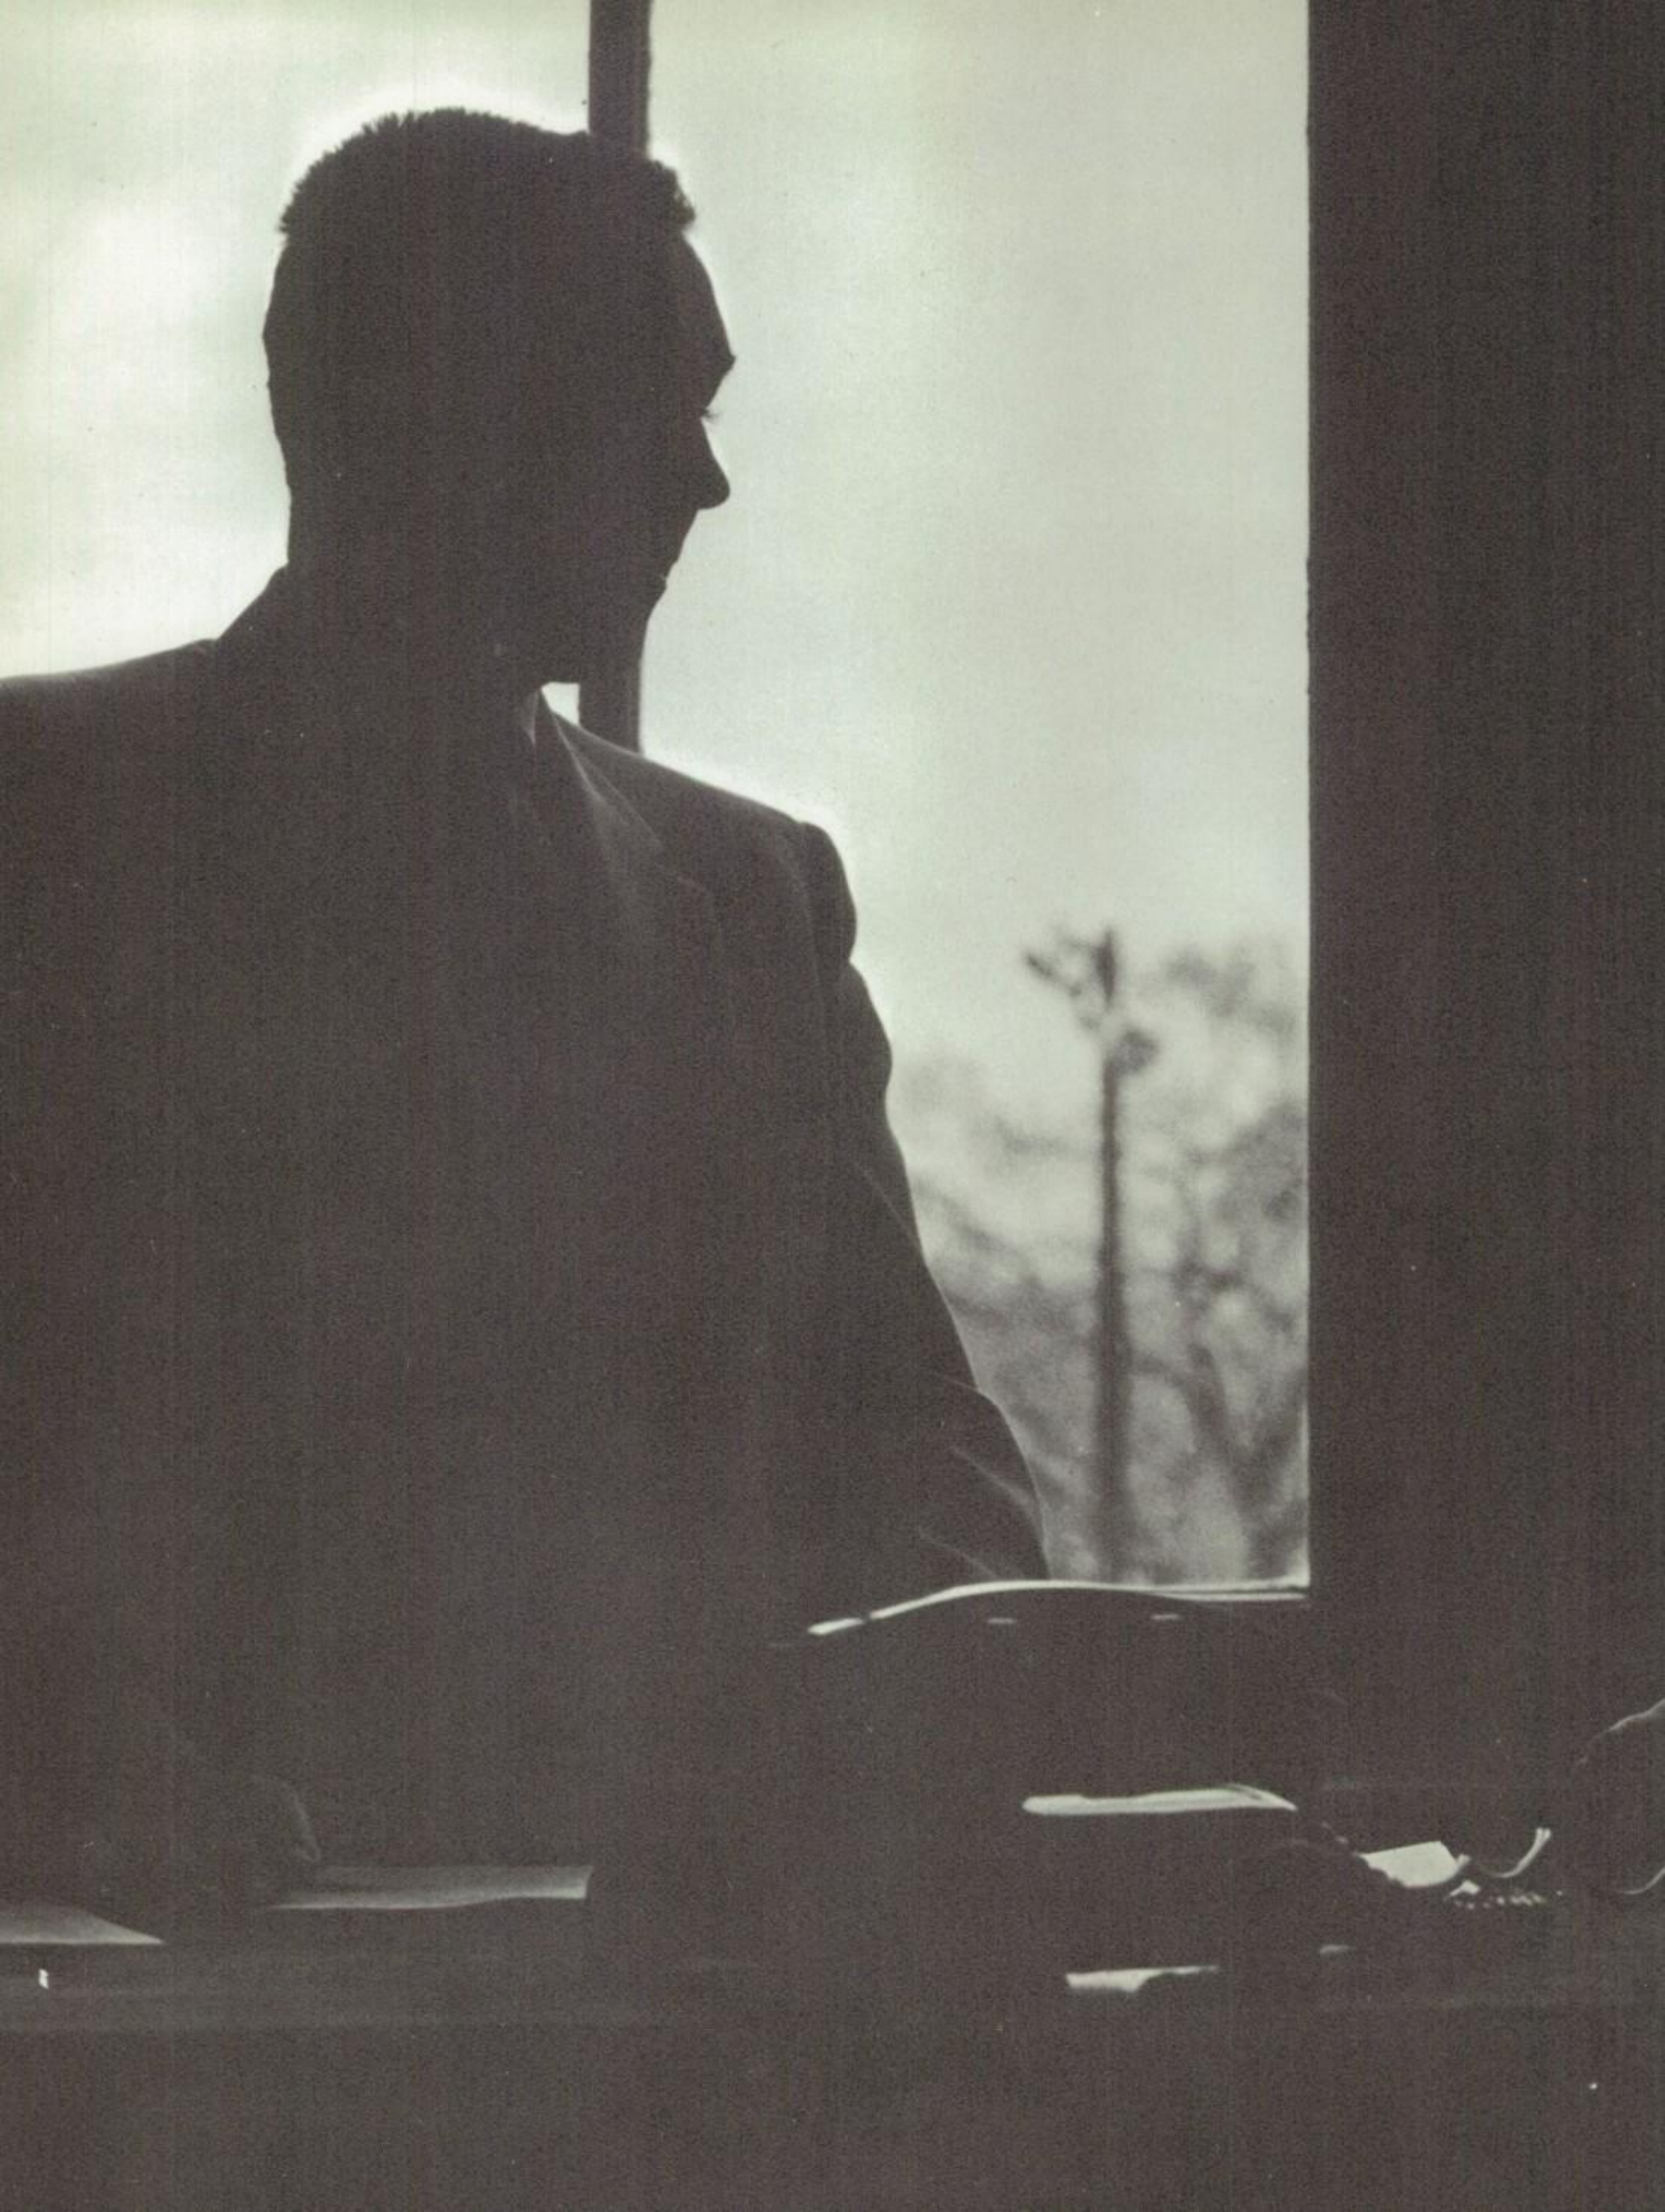

Mike Gruber, Trudie Vasold, Jack Shaw, Sue Walling, Connie Brown, and Bev Brasner work together on the advertising section of the Yearbook.

Our three photographers, Bob Chapin, Tom Kaekel, and Jay Schermerhorn, are a common sight in the halls of Central.

Kathy Karry, Norm Raby, Ann Parrent, Ann Witucki, and Marcia Bammel take time out to just relax and discuss the work already done.

Faculty

As you look back on your high school years, what is the first thing that comes to your mind? If you are like the most of us, you think of teachers. A student's teachers greatly influence the student's life. It is natural that some teachers stand out more than others. These particular teachers probably impressed you either by their attitude toward you or by their philosophy.

Our teachers spend a great deal of time, money, and energy in preparing themselves to educate the younger generation. Most teachers are not satisfied to be content with their college training but enroll in summer schools and in service training programs. With the aid of this valuable up-to-date knowledge they are better trained educators. We are proud of our faculty here at Central, and we will always remember them in later years.

Seniors

How often when we first entered Central did we say to our friends, "Just four more long years, and we'll be through with school"? Those years flew by rapidly, and now we stand alone on the threshold of our entrance into the world. Some of us, probably most of us, leave the halls of Central with a tinge of regret shadowing our departure. But when we look about us, we see ourselves growing up, and we know we're not the only ones. We are not the first or the last ones to go through this process called growing up. Now comes the important part—we now must look ahead to the future.

We, the citizens of the world today, make the world for the citizens of tomorrow. We must do a good job if this world of ours is to remain a place for citizens to prosper; if we do not, there will be nothing left for the future. It is up to us, now, the millions of graduates graduating this June—here in Bay City and all over the country, to make sure there is a future.

*"Whatever you may
have achieved,
you have done nothing
if you will not do more."*

Social

High school is an institution of learning, the place to increase your knowledge of science, mathematics, languages, and the arts. One of these arts is the ability to get along with other students and the faculty. That is the reason why the outside activities of Central High School are so important. This does not mean that social affairs should replace studying. Instead, these opportunities to meet your friends outside of the classmen are to round off your education by helping you to develop your personality.

Therefore the Student Government and other organizations sponsor many and varied affairs in which the Central students may participate. Among these affairs are dances, from after game record hops to the semi-formal proms. In addition to the dances, teas honoring new club members are given at the beginning of the school year.

More poise and confidence is gained by you through your participation in the different forms of social activities. It is hoped that you enjoyed this part of your education at Central High School.

*"The only way
to have a friend
is to be one."*

With the scent of burning leaves and a cool crispness in the air, Homecoming at Central High School took the attention of all the students. Reigning in glorious splendor was Queen Elaine Werner with her royal court: Jan Bean, Evon Kist, and Helen Wirt, senior attendants; Nanci Alderman and Barb Duchaine, junior attendants; Dianne Phelps and Jan Shearer, sophomore attendants; Donna Cummings and Kathy Defoe, freshmen attendants. All the girls were bedecked in pastel sweaters and skirts.

On Friday morning, October 20, the crowning assembly took place. To the melody of "Autumn Leaves", the Queen and her court walked gracefully down the aisles of the auditorium. After the crowning, robing, and other presentations, Queen Elaine was handed a royal scepter, a new tradition at Central High School. Presenting the scepter was last year's queen, Miss Jackie Werner. From this time on it will be the honor for the previous year's queen to present the new Homecoming Queen with this royal scepter.

Again this year the fathers escorted their daughters onto the field. After the royal court came through the archways of colored leaves, and after the Queen was recrowned, fireworks were exploded at the opposite end of the field. The band played wonderful tributes to the Queen and her court and to Misses Anschutz and Perrin.

The Homecoming Dance, "Autumn Serenade", was held in the boys' gym, while coffee was being served to the alumnae in the cafeteria. During intermission at the dance, gifts from various organizations were given to the Queen and her court. With a full moon and sparkling stars in the sky, Homecoming 1961 ended.

The Holiday Prom

December 27, 1961—The night was cold and the wind was howling as the couples walked from their cars to the entrances of the Boys' Gym, which was gaily decorated with Christmas trees, beautifully wrapped boxes, and other bright ornaments. The music of Don Pablo's band played on and on until the stroke of midnight, while approximately six hundred students of Handy and Central intermingled with each other and danced. The mood of the dance was light and festive, and sounds of laughter and buzzing conversation could be heard during the intermission.

Students from Central worked hand-in-hand with Handy students to make the dance a success. Programs were given to all the girls to be placed in their scrapbooks as a remembrance of the occasion. Refreshments were also furnished for students and guests to enjoy when they wished to take a "breather" from dancing.

Central's chairman of the dance was Jan Bean. Members of her committee were: Millie Moore, decorations; Barb Duchaine, check room; Susan Meyers, invitations; Yvonne LeVasseur; tickets, Joyce Bean, refreshments; Pat Doyle, publicity.

Jan Bean, Joyce Bean, Millie Moore, Pat Doyle, Sue Meyers, Barb Duchaine, and Yvonne Levasseur were some of the students who worked on the Holiday Prom this year.

Organizations

The clubs included in our high school life are similar to the spices and seasonings added to foods. They are not absolutely necessary, but they add greatly to the flavor of our school life. Your personality assumes the traits of unflavored food when extra-curricular interests and diversions are not provided. Clubs provide outside social contacts with students who have the same interests as you do. Clubs contribute responsibility, the experience of working with others, and an enrichment to your life.

Here at Central we have numerous clubs to suit practically everyone's interests. They include such fields as science, citizenship, music, drama, and athletics. Everyone is urged to follow their particular interests.

*“Club - An assembly of
good fellows, meeting
under certain conditions.”*

Student Government

Vice-President, Mike Werner; President, Robert Schaffer

We have a Student Government here at Central in which we can take pride. It has been a tradition here for thirty-four years. Because it is patterned after our national government it serves as a tool to teach our students the ways of democracy and it prepares them for the future when they reach voting age. The student government of Central is but a stepping stone to local state and national government. Objectives of the Student Government are: promoting the principles of responsible citizenship, developing good relations between faculty and students, promoting school spirit, and encouraging high scholastic standards.

Our student government is divided into three parts — legislative, executive, and judicial. The legislative branch is made up of the law-making body of students known as the senate. Six senators from each grade are

elected in the spring of each year. The senate discusses all matters which are brought before the body which pertain to the students or the school. The executive branch of the student government includes the president, vice-president, and cabinet. The president and vice-president run on the same ticket. The cabinet selected by the newly-elected officers and approved by the senate includes a Secretary of Student Affairs, Secretary of Finance, Secretary of Inter-school Relations, and the Attorney General. The judicial branch consists of a Supreme Court. This Supreme Court has one chief justice and four associate justices. It tries students for minor offenses committed in the school or on the campus. Our student court is unique in that it is one of the very few functioning student courts in the entire nation.

Agathos, which was organized in 1924, is the name of Central's branch of the National Honor Society for superior students. This club represents the fundamental objectives for which schools are instituted—Scholarship, Leadership, Character, and Service. Members are chosen by an advisory board on the basis of those who have most nearly obtained these desired goals. The club is only open to Juniors and Seniors, with selection coming in the spring of the Junior year. The annual Agathos assembly, during which new and old members are honored, is a highlight of the school's spring calendar.

Debate

Of the many activities offered during the first semester, debate is one that always proves interesting and profitable. It is defined as a pro and con argument conducted under predetermined rules. Composed of three affirmative and three negative teams, the debate squad competes with other schools in the valley.

Debate teaches the student technique in speaking, organization, reasoning, and critical listening, all of which are essential to the development of a good student and citizen.

Federal aid to education was the especially pertinent issue debated this year.

Senior Ecclesia

ECCLESIA

Ecclesia is a girls' English Honorary Society established in the year 1911. Its purpose is to recognize scholarship and to be of service to the school. To be invited into Ecclesia a girl must have an "A" average in English and a "B" average in her other subjects. Ecclesia sponsors a "tutoring system" through which English-troubled students obtain help.

In the course of the year Ecclesia has an Initiation Tea, gives a Thanksgiving Basket to some needy family, sponsors an informal dance, has a bake sale, and has a banquet with C.C.C. At the end of the year, Ecclesia presents one or two of its graduating members with a fifty-dollar scholarship.

The Girls' League

The Girls' League is an active organization of all the girls in Central High School working together for the happiness and welfare of the girls.

The business of the League is carried on by the Girls' League Cabinet, composed of six girls elected by each grade, and the officers from the girl student body at large.

The League assists with the social program of the school by sponsoring various social programs such as:

Big Sister Activities — A welcome for the Freshman Girls in the fall.

The Ribbon Prom—an annual girls' bid dance.

The Spring Tea in honor of Senior Girls.

An Alumni Tea.

The Girls' League has an annual joint meeting with Handy High School Girls' League to widen our friendship and deepen our understanding of common problems.

Assisting in various charitable projects and community drives keeps League members busy.

Spanish 2

Spanish Club or Los Angelitos is one of the many active organizations at Central High.

One of the aims of this club is to try to learn the culture and habits of the people in Mexico and Spain. Spanish foods, such as tacos, are served at the meetings, in order for the members to have the opportunity to see what they are like. Also, at the Christmas party each year English and Spanish carols are sung in Spanish, and a pinata is broken. A pinata is a paper-mache figure, such as a donkey, which is filled with candy.

To be a club member, you have to have at least two years of Spanish or el espanol.

Stage Craft

STAGE CRAFT

Stage craft is a club that works behind the scenes without getting credit where it belongs. You could say it's the silent partner of the schools stage activities. The students that work on stage craft; have to work to all hours of the day and night to help make their project a success.

Mr. Teenier is the head of the stage craft technicians with the help of Mr. Lehman who directs the work behind stage.

THESPIAN CLUB

Here at Central, the Thespians Club is only a small segment of a large organization which is active around the world. But we all have one thing in common, and that is to promote Theatre as a wholesome recreation for children, high school students, and adults.

We Thespians know that putting on a play is hard work, involving many things such as stagecraft, costuming, art work, publicity. Both the time and the patience of many people go into the production of a school play.

USHERS' CLUB

The Ushers' Club is an organization to which many girls belong. A girl in any class may become a member of the Ushers' Club by attending the meetings and helping in the activities.

There are many activities in which the Ushers' Club participates. These include plays, dances, and the biggest event—Band Bounce. Although the ushers help at many school functions, they do not always do the same job over and over again. At plays they hand out programs; at dances they check coats. Any usher will tell you that it is a privilege to serve our school and community in this way.

Biology Club

BIOLOGY CLUB

In the history of Central High School there has never been a Biology Club. Mr. Hovis, head of the Biology Department, formed the club several months ago and an immediate interest was taken in the organization.

The main function of the club is to probe a little further in the lives of our microscopic friends and to learn a little more about biology in general.

Dues collected each semester are used for field trips or other needs as they come along.

Use of the microscope, movies of biological experiments, and field trips will be the main activities.

To join the club, an interest in biology is needed along with a reasonable knowledge of the subject.

First Row—left to right: Marsha Glawe; Sue Archangeli; Cheryl Fox; Mr. Hovis; Dennis Reeves, President; Jody Dodson, Secretary; R. G. Toler, Treasurer; Sue Ewing; Pat Lalonde. Christian Youth Fellowship

CHRISTIAN YOUTH FELLOWSHIP CLUB

The CYF Club is an interdenominational club composed of students representing several denominations. The main objective of the club is to promote Christian fellowship among the student body.

Membership is open to all students who desire Christian fellowship. There are no restrictions for membership concerning a particular faith, as both Protestants and Catholics may join.

The programs are usually on the first and third Mondays of each month at four o'clock. They are presented by one member or by a group of members of the club. Often special speakers are on the program and present a Christian message. Special recordings or films of unusual Christian experiences or activities are occasionally presented.

Secretaries' Club

FUTURE SECRETARIES OF AMERICA

Busy, busy, busy has been the F.S.A. during the past year. Though the club has been in progress only a few short years, it has managed to offer a Christmas basket to a needy family, contribute help to charity organizations, and conduct other activities.

To aid the members of the club it has been found helpful to have speakers on the many different fields of secretarial work.

Radio - TV Club

RADIO AND TV CLUB

This is a newly formed organization at Central, its purpose being to stimulate interest in the various fields of television and radio. Directing, dramatics, sound effects, and announcing are all co-ordinated into the club.

Mr. Stewart Bohn, the sponsor, teaches in the clerical department of our curriculum and has himself had a lot of experience in radio and television.

The club is open to anyone who can show a genuine interest in the operation and function of the club and be willing to learn something.

Jr. Future Nurses

FUTURE NURSES

The main objectives of the Future Nurses' Club are to encourage a more thorough understanding of nursing and its allied fields, to become acquainted with the work in these fields, and to bring together girls mutually interested in these professions. Any student at Central, who is interested in these fields, may join the club.

Members of the various medical professions are invited to be guest speakers of the club. Many films and books are made available to the Future Nurses.

At Christams, the Club invites the mothers to a tea given in their honor. The members give gifts to hospitalized children at Easter.

Each year the Future Nurses' Club offers a scholarship of fifty dollars to a graduating member wishing to study nursing.

Dance Club

DANCE CLUB

The purpose of the Central Dance Club is to provide the opportunity for its members to improve their dance skills and to develop choreographic talents. Members are also provided with the experience of performing a school production.

Modern Dance is a personalized medium of communicative expression through movement. It offers physical, mental, social, emotional, and human relations values. In combining muscular co-ordination, creativity, and recreation, it enables the participants to gain a sense of poise, rhythm, and movement.

School Life

School life and activities occupy a large portion of our time during our high school years. During this time we attend classes, learn about new subjects, concentrate on homework, and write tests. These are the primary objectives in our school life.

We have dozens of classes here at Central dealing with many varied subjects. This year we have added an agriculture class and a modern, electronic laboratory. There is a class to fit everyone's educational need.

Our teachers strive hard to challenge students with new ideas. The students are expected to do their part in this process of education. They must complete daily assignments made by their teachers, and they must display their newly acquired knowledge to the teacher in tests. Those who particularly excel scholastically are honored accordingly. These areas comprise the facets of our academic school life here at Central.

Jim Knake and Mike Gruber heat chemicals in Mr. Drummond's first hour Chemistry H class.

In past years Central High School has had honors classes in two fields, mathematics and science. This year an honor course in English was added to the curriculum.

The science department offers two honors courses. One of these is chemistry; the other is physics. These courses provide students with an opportunity to increase their knowledge and understanding of the theories involved in physics and chemistry.

The honors courses in mathematics are on the sophomore, junior, and senior levels. These classes emphasize theory as well as mechanical operations. They go into more detailed mathematics than usually covered in regular courses.

The new honors courses in sophomore, junior and senior English put a great deal of emphasis on the humanities. Once a week the junior and senior classes meet under the direction of Mr. Cady for music appreciation or Mr. Wright and Mr. Teenier for art appreciation. These classes emphasize literature and writing rather than reviewing the same grammar which the students have previously learned. The English IV displayed their creative writing talents by publishing the *Crest* as in previous years.

In these courses there is a greater opportunity for advancement, and the competition is more intense. In the regular classes there is no time for additional enrichment of the courses.

Two Advanced Algebra H students explain a graph of a quadratic function to Mr. Hewitt.

Mr. Wright and Mr. Teenier direct English IIIH students in their study of art appreciation.

Senior honors math students study busily as interested Mr. Bidwell looks on.

Sports

Pennants waved in the breeze, students sold programs, the parking lot was jammed with cars. People came with blankets to spread on the bleachers and bought popcorn and hot dogs. It was the football season. The marching band formed two columns, and the Wolves came rushing on the field. On other days the cross-country team ran with equal spirit.

Basketball followed football, and the gymnasium was packed with cheering spectators. Then came swimming, wrestling, baseball, tennis, golf, and track.

Although most of us had to be satisfied with just being spectators, athletics was an important part of our high school year. Recognition gained for clean, worthy athletic competition is an asset to any school. And so it is to the athletes of our school that we devote this section of our yearbook.

be fair, can the victory
be doubtful?"*

Football Review

The 1961 Bay City Central football season, expected by many to be one of the finest in the school's history before it started, ended in the worst record that the Wolves have had since 1954 in spite of some sterling performances during an eight-game league schedule in the expanded Saginaw Valley Conference.

In finishing with an overall 6—3—0 slate, the charges of Coach Elmer Engel had to swallow a particularly bitter pill in losing the season finale to cross-town rival Bay City Handy in 25-20 fashion.

With Midland Central and Flint Southwestern new members of the conference in addition to Handy, the Wolves had to do without their customary "warm-up" at the beginning of the season in which lesser opponents such as Lapeer and Sarnia, Ontario, had been played in past years.

The title race began the first Friday night as the Centralites rolled up a 39-6 win over Saginaw High in Central Stadium. Sparked by All-State tackle Ken Wright, the Wolfpack scored a 13-0 win at Pontiac Central the following week and dumped Flint Southwestern 32-6 in Bay City in the season's third game.

Ranked No. 1 in the state after these three impressive victories, the Engelmens packed their pads and helmets and went calling on Flint Central's Indians at a place known as Atwood Stadium where they suffered a 16-14 defeat. Quarterback Rob Schafer engineered a brilliant passing drive in the closing moments of the game to avoid a 16-7 margin.

The fifth game of the season called for a non-league trip to Grand Rapids Catholic Central, one of the perennially strong Class A elevens in the state. The Cougars went down before the Wolf attack by a 25-0 score. It was their worst defeat in many years and marked a good comeback for Central after the Flint Central loss.

Back in Valley action, the Wolves entertained Arthur Hill for Homecoming and administered a 47-0 shellacking. This win was the biggest victory margin for a Wolf eleven over Valley competition since 1958, but the Centralites lost by the worst spread since 1952 the following week, as Midland Central got revenge for a 14-13 loss to the Wolves in 1960 by rolling up a 20-6 duke.

The final home game of the season brought winless Flint Northern to Central Stadium, and the Wolves had a score to settle. They hadn't beaten Northern in two years, and the Vikings had ruined their bid for an undefeated season with an 18-14 defeat in Atwood Stadium in the 1960 season finale. Despite the visitors' touchdown on the second play of the game, Central rolled to a 28-7 victory that set the stage for the intra-city clash at Handy Field the following Friday night.

Handy went into the game a favorite on the basis of a 7-0-1 record as compared to Central's 6-2-0. The Wildcats led 18-7 at the half, but the Wolves gave a good account of themselves, roaring back to take a 20-18 lead, only to have Handy punch across the winning touchdown in the final period for a 25-20 decision.

It was a heartbreaking season in more ways than one with junior halfback Tim Maxwell's father passing away during the week prior to the Midland game, and senior tackle Fritz Bublitz, one of the stalwarts in the Wolf defense along with Wright and Rick Czap, losing his mother on the day of the Handy battle.

Coach Engel's expression near the end of the Handy battle tells the story of our feelings about the season.

Cross Country

As one of the minor sports in Central's athletic program, cross country gets little support from the students and the general public in spite of the great amount of work put into the activity by Coach Ken Norris and his charges.

This year's team had a long, hard grind in the Valley Conference with triangular meets replacing the dual meets due to the addition of three schools to the circuit. These meets involved three schools each, and Central failed to win any of them.

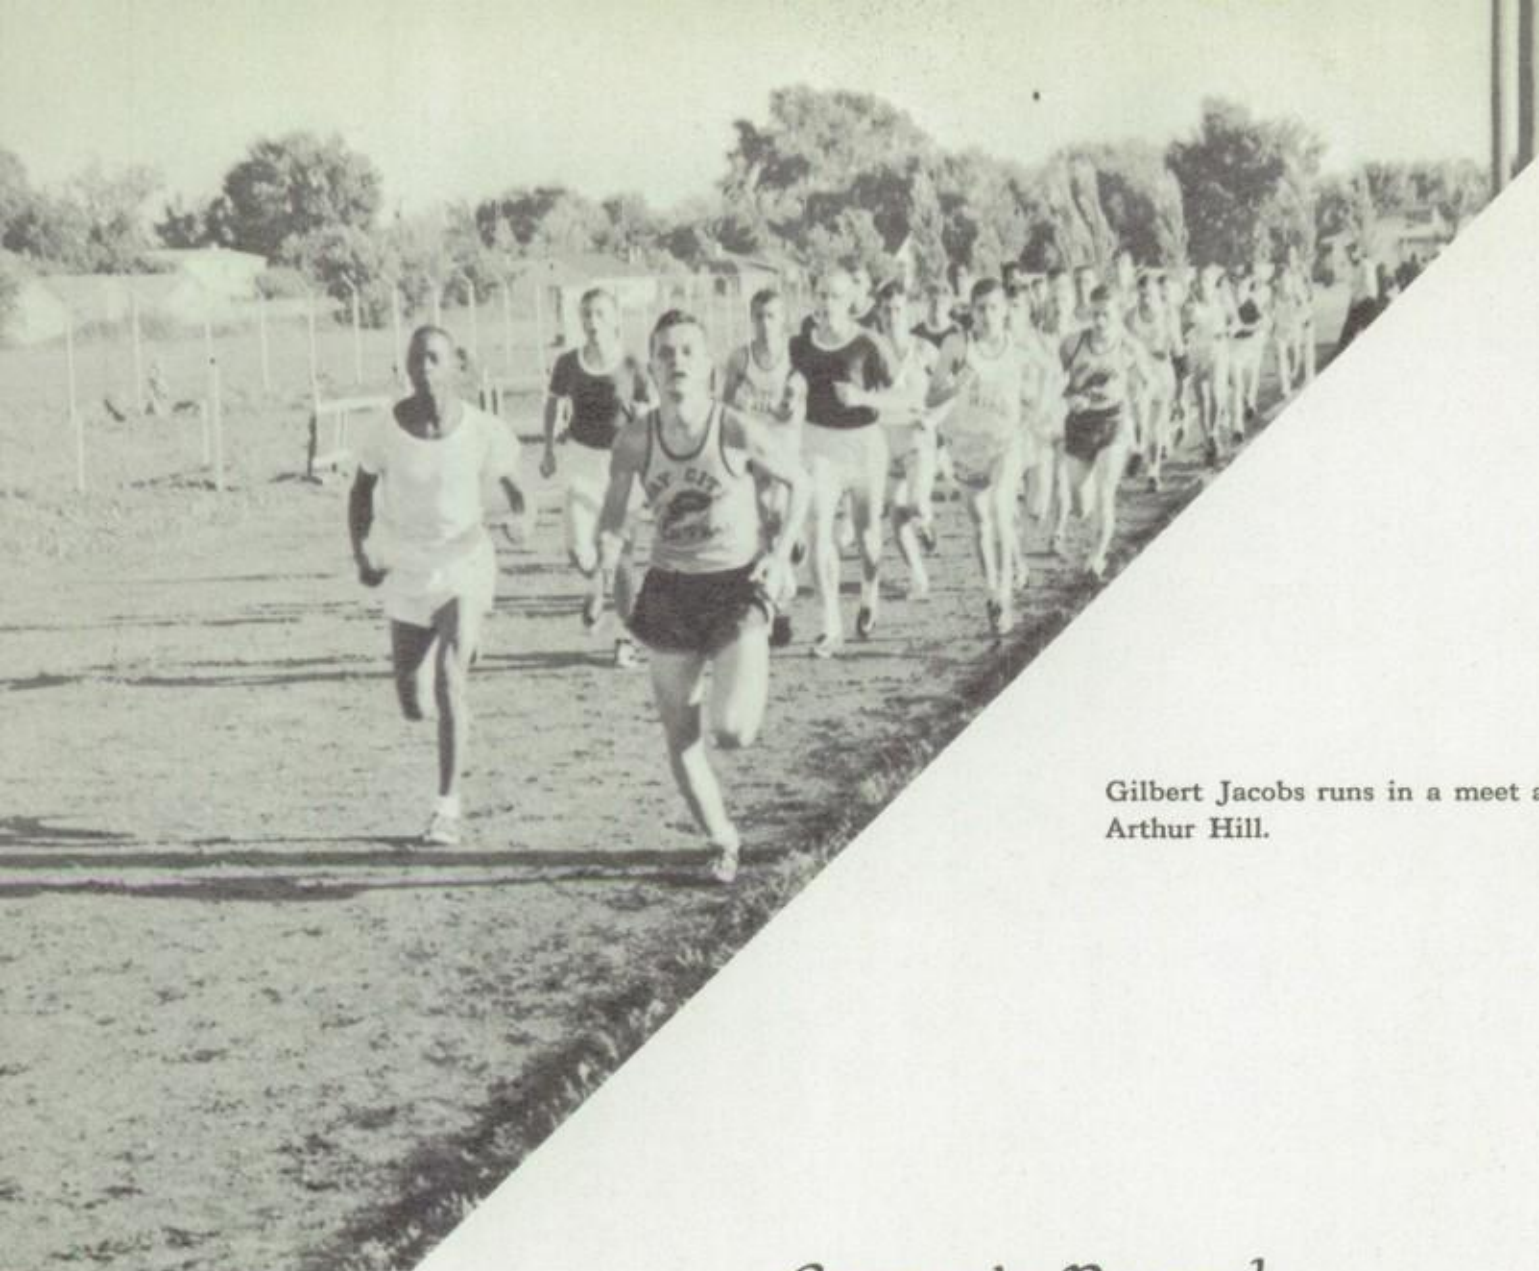

However, the Wolves did take a dual meet decision from cross-town rivals Bay City Handy in the season's

opener, this being the only dual meet of the season. It was Handy's first year to have a cross country team.

At Flint on October 19 the Wolves battled eight other teams in a tough Valley meet and came out in sixth place with 160 points.

The Centralites closed out the regular campaign with a win in a quadrangular meet in Saginaw involving Saginaw High, Arthur Hill, and Handy. The Wolves scored 46 points in this one, Saginaw being close behind with 47 (low score wins).

Mike Sharon was the standout for the season among such other capable performers as John White, Bob Hempel, Larry Ligney, and Jim Piesik.

Gilbert Jacobs runs in a meet against Flint Central and Arthur Hill.

Basketball Review

The varsity basketball team struggled through the 1961-62 season winless to finish with the school's worst record in more than a decade.

Included in the 15 regular season defeats suffered by Coach Bill Ullenbruch's hapless cagers were two defeats at the hands of intra-city rival Handy, plus a 66-53 loss to the Wildcats in the opening round of the district tournament at Midland.

The Wolfpack's hopes were hit hard even before the season started through the loss of senior forward Don Randall, who suffered a serious knee injury in the Flint Northern football game. Also out because of injury was Dukes Hollerback, and before the season was very far along, Tim Pete was also out of the lineup because of health reasons.

This was a serious blow to the Wolves because it took away a key factor in their offense and also in a psychological way. The chief responsibility for keeping up the team's morale fell to senior Rob Schafer who also boosted the scoring punch and was the only Centralite to be recognized on the post-season All-Valley team. Schafer received honorable mention on this team through the voting of the Valley coaches and sports-writers.

With Ullenbruch in his last five years of coaching here, the Wolves were forced to go with a group of primarily inexperienced players. Seniors Dick Jaskiewicz and Roger Cederberg added considerable punch to the

team effort through both their hustle and their scoring ability.

The top prospect returning from this year's team for the 1962-63 season appears to be guard Bob Sturgell, who hit 22 points at Flint Southwestern in a scoring duel with the Colts' hustling guard, Jim Yuile, who was a first-place winner in the All-Valley voting.

Also back to team with Sturgell will be Bob Hartwig, another little man with big ability who played in a forward position part of this past season. The other seniors on the team who played key roles included Vic Awrylo, Barry Atha, and Joe and Jim Crawford. Mike Kusch, a 6'4" junior center, will be back next season along with guard Ben DeBolt to form an integral part of the "new look" of Central basketball.

It's a long way up for the cage sport here after sinking to the depth which this year's team reached, but with these and other juniors returning to work with a potentially strong freshman team, the outlook is hopeful.

Central played one of its few good ball games of the season during a loss here to Flint Northern and in losses of 59-40 and 58-40 to Pontiac Central. The most devastating defeat of the campaign was handed the Wolves in 104-36 fashion by Saginaw High on the repeating Valley champions' home court.

The loss to Handy in the district tournament's initial evening marked the first time that two Bay City Class A rivals had met in post-season competition since 1951.

Freshman Basketball Review

While Central's varsity basketball team was losing all sixteen of its games this past season, a youthful group of freshmen under Coach Wayne Wilson compiled an overall 21-1 record when the records of the "A" and "B" squads were combined. The "A" team had a 12-0 record while the "B" team finished 11-1, losing only to Midland Central.

For Wilson, this season marked the end of two years of frustration in which he had seen his crew close out with a 9-9 record in 1959-60 and 12-12 last year.

With standouts like Bill Burton, Jack Campbell, and Paul Minnis, the "A" team gives promise of greater things in the future for Bay City Central basketball. Campbell led the little Wolves in rebounding while Minnis was the top man in assists.

Other members of the "A" team were Clint Beadle, Harold Dean, Larry Wright, Bill Defoe, Larry Musser, Randy Piotrowski, and Russ Pickleman. Good luck to all these future varsity men.

Wrestling Review

Stocked with young and chiefly inexperienced performers, Central's wrestling team made a commendable showing and came on to finish third in the Saginaw Valley Conference championship meet at Flint Southwestern on February 24.

The high point of the season for Central in this sport was at East Lansing on March 10, however, when heavy-weight Rick Czap overcame the finest opposition in the state to win the Michigan Class A championship in his weight class. This topped off an undefeated season for Czap in which he won the Saginaw Valley Conference title and the regional championships in that meet held at Flint a week later.

Besides the heavyweight position, the Wolves were strong throughout the season in the opening weights of 95, 103, and 112 pounds, with Tom Duchane, John Militello, and Brendt Knight, respectively. Duchane qualified for the state meet's final round, but he lost in the championship bid. However, he put on a performance sufficient to win him a standing ovation from the crowd at Jennison Field House.

The only other Wolf grappler to qualify in the state meet was Militello who was defeated in both the final and semi-final rounds, after breezing through the opening rounds the previous Friday night. Duchane and Militello both qualified for the championship round in the Valley meet, but lost, as did Knight at 112 and Tom Scharfee at 154 pounds.

Four other Wolves lost consolation matches in the Valley Meet. Nick Holly lost in this bracket at 120 pounds, Gary Kernstock dropped a 127-pound bout, John St. Laurent lost at 133 pounds, and Gary Gatzka lost the 180-pound consolation contest.

The regional meet, held at Flint Northern on March 2, 3, was a runaway for the Vikings as they scored 114 points to pace the fourteen-team field. Czap was the only Central winner in this meet as the Wolves finished in seventh place with 33 points. Militello qualified for the final round but did not win the championship in his 103-pound class.

Northern repeated as Valley champion after taking the crown away from Central last season. The Vikings rolled up 107 points to lead the Saginaw Valley Conference six-team field. Bay City Handy was second with 56 points, just ahead of Central's 52, and Pontiac Central scored 50.

Within two years the Valley may well be expected to have all nine schools sponsoring wrestling, which will make the competition keener for the younger boys such as Duchane, Militello, and Knight, who will no doubt be competing in the full field as seniors. Arthur Hill has expressed definite plans to adopt the mat sport by next winter, which means that their cross-town rival, Saginaw High, may be expected to follow suit. Midland is the only other school which does not currently have wrestling as a part of its athletic program.

Coach Ray Duch, who won five straight Saginaw Valley Conference championships after coming here from Davison before Northern took the trophy in the 1961 meet, can look forward to a strong team next year, capitalizing on the youth experience gained this season, since Czap is the only key loss to the team. A squad of outstanding junior varsity wrestlers will add depth to next year's team. One of these is Gary Frieders, whose brother Wayne was a stand-out here as a member of the 1959-60 team.

Most agree, including the three schools who are planning to add the sport to their program, that the chief value of this form of activity lies in the fact that it helps develop boys, especially linemen for football.

Rick Czap won the heavyweight division championship in both the Saginaw Valley Conference, Regional, and State meets. This was the first state championship won by a Central matman in our eight years of wrestling competition.

Swimming Review

An interesting situation developed in the Saginaw Valley swimming circles this season, with Coach Don Morey leaving Central to take over as coach of the Lumberjacks of Arthur Hill, his alma mater, and another Arthur Hill alumni, Art Manwell, coming to Bay City to lead the Wolves. Both men turned out with outstanding teams. Manwell led his new charges to a 12-1 season record, losing only to Arthur Hill.

The Hillites took the Saginaw Valley Conference championship, and Central tied with Midland with 41 points for third place. Central's top performer was diver Jim Marsh who repeated as Saginaw Valley Conference champion and finished second in the state meet, held at the University of Michigan, with five points—which was the only scoring for the Wolfpack in that meet.

Although failing to place in the state meet, several of the Wolves reached qualifying times for that meet during the regular season competition. Qualification is determined by the athlete's having broken the time set by the twelfth-place finisher in the previous year's state meet.

Qualifying this year were Clark Nitschky, John Charters, John Dixon, Paul Johnson, Dave Johnson, Marc Mulholland (member of relay team that qualified), Bill Kelly, Fred Eurich, Tim Maxson, and Bob Weber.

Going onto the Valley Meet, Central's hopes of upsetting powerful Arthur Hill was in the fact that several of the swimmers who sparked the 1960-61 team that upset Arthur Hill twice during the regular season and lost out by only one point in the bid for the Saginaw

Valley Conference championship were back.

Central's final dual meet this season was a sample of the kind of performance that the Wolves gave throughout the season:

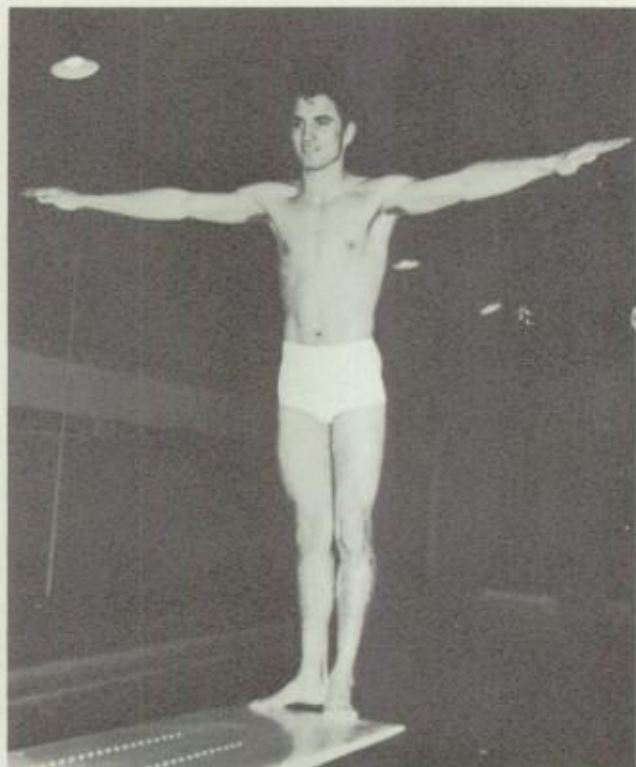

Paul Johnson opened with a 4:55.5 winning time in the 400-yard freestyle and was followed by a :24.6 mark in the 50-yard freestyle by John Charters. In quick succession, Bob Weber posted a 1:05.2 winning time in the 100-yard backstroke, Clark Nitschky won the 100-yard breaststroke with a 1:13.5 time, and Dave Johnson was victorious in the 100-yard freestyle with :56.1.

Marsh finished second in the diving events with a 190.6 point total. Bill Kelly then won the 200-yard individual medley with a 2:30.6 time, and Dave Johnson came up with 2:10.8 time in the 200-yard freestyle. The 200-yard medley relay team of Charters, Nitschky, Phil Halstead, and Weber won in this final dual meet of the season with a 1:57.2 time.

The Wolves promise to be strong again next year with freshman Phil Halstead the top young swimmer returning. Arthur Hill, always a team loaded with depth and balance, again appears to be strong, and another battle between these two powers looms as the probable high point of the 1962-63 season.

The loss of such performers as Fred Eurich, who was a four-year letterman for Central, and John Dixon, as well as Marsh and Tim Maxson, will be keenly felt, and Manwell will have a big rebuilding job on his hands if he hopes to present a championship unit in '63.

Jim Marsh took second place in the state diving competition at Ann Arbor.

Fred Eurich has made his share of team and valley records in his years of swimming for Central.

Coach Art Manwell did a terrific job as the newest addition to Central's coaching staff.

Baseball Review

With a primarily underclassman team carrying the load, Coach Elmer Engel watched his 1961 baseball team struggle through a 2-10-1 season.

The Wolves opened the campaign on an unusual note, playing Arthur Hill to a 1-1 deadlock before the contest was called because of darkness after eleven innings.

Tim Pete was 'the Wolves' leading hitter with a .333 average. Only two seniors, Louis Allison and Bill Walter, completed the season, but six juniors and seven sophomores came through the grind richer in experience and returned this spring for more action and the hope of a better record.

Most of the boys picked up summer experience by competing in American Legion baseball. Coach Engel hopes that a full-scale junior varsity program will eventually be set up to develop talent.

Tennis Review

Central's tennis team finished the 1961 season with a record of six wins and two defeats, losing only to Arthur Hill and Midland. The net squad, under Coach Don Morey who at the end of the year went to Arthur Hill as swimming coach, took a third place in the Saginaw Valley Conference and the same spot in the Class A regionals.

Six lettermen returned from the squad to bolster this year's team which was handled by Coach Art Nixon. Ten junior varsity players also were back for the 1962 campaign.

Frank Tally, Bill Nees, Mike Kusch, Virgil Sabin, and Ron Coussens numbered among the monogram letters returning this season along with Irv Schiller who was a standout in summer tennis competition in Ohio and Kentucky last summer.

Junior varsity lettermen from last year's squad who returned this year included Fred Eurich, John Charters, Gary Frieders, Ed Vedder, Art Schlacter, Tom Zientak, Mike Moran, Dick Juengling, Bob Chapin, and Kim Higgs.

Track Review

The 1961 track team failed to win a single dual meet, their best effort being a fifth place finish in a field of ten schools in the regional meet.

Coach Ken Loop sighted the fact that no regular freshman track program is carried on to develop the younger boys as the chief reason for this. It is Loop's hope that in the future a full-time freshman track coach can be added to the athletic staff and a schedule of frosh meets set up.

At the end of last season Loop awarded 22 varsity letters, 22 reserve awards, and nine freshman numerals to the squad members. Seventeen of the varsity monogram winners were back for this year's campaign.

The track season opened on April 4 with the Wolves

finishing third in a triangular meet won by Midland with Handy taking second.

This was followed by a tenth place finish in the Saginaw Indoor Relays in which 12 schools were involved. After losing five straight Saginaw Valley Conference dual meets, Coach Loop's crew took a seventh place in the Valley Meet on May 5, and, after their fifth spot in the regional meet, collapsed to 27th in the state meet.

Four junior varsity meets and one freshman meet were held with Central losing all.

Varsity lettermen returning in hopes of a better record this spring were Bob Bourland, Roger Cederberg, Rick Czap, Pat Doyle, Gary Gatza, Bob Gilbert, Tom Hardy, Bob Linton, Fred Pease, Jack Schaffer, John Smith, Bob Struble, Gary VanHaaren, and Claude Vachon.

Golf

Golf Review

Winning only one Saginaw Valley Conference meet in eight starts and losing four exhibition contests, Central's golf team could cite as its only real improvement last year the fact that it had taken nine strokes off its team total of the year before in the regional meet. The Wolves took a 12th place in this meet, scoring a total of 381 points for the season.

Four lettermen and 16 other underclassmen returned from last year's squad to aid the 1962 team's hopes.

Randy Brown led this group with an average score of 91 as he played in 13 matches during the season. Marc Mullholland followed with a 98 score in five matches and Carl Sherbeck had the same mark over six outings.

Between these two and Brown was Chuck Weller who hit at a 93 clip in 10 matches and was elected team captain for this season.

Junior varsity letter winners back for this season included Cornwell Appleby, Bob Bammel, Greg Bergren, Bob Burns, Mike Gruber, Bob Gruber, Frank Gulczynski, Jim Hewitt, Darwin Lance, Norbert Napieralski, Ken Pake, Bob Palmer, John Ross, Dave Rowley, and Don Walsh.

G.A.A.

The Girls' Athletic Association, which is organized similar to the boys' sports program, provides an opportunity for any interested girl at Central to participate in one of the many active sports offered by the organization. These activities include basketball, baseball, bowling, swimming, tennis, and modern dance. Any girl is eligible for membership providing she takes an active part in one of these fields.

G.A.A. not only stimulates an interest in girls sports but it also offers its members a chance for self-improvement, skill, and leadership in the field of their choice. Through this sports program girls became acquainted both socially and athletically with each other and learn to become good citizens of the future.

Underclassmen

While the seniors are given the spotlight in each year's annual, it is the underclassmen, freshmen, sophomores, and juniors, who comprise most of our student body. The freshmen arrive at Central uncertain about what high school will be like. The first few weeks find them searching for their class rooms that seem to have disappeared, but by the end of the first marking period they are well acquainted with high school life. The sophomores consider themselves superior to the freshmen. They have learned the "ropes" after one year in high school. The scared silly feeling is gone, and the sophomore is ready to accept the responsibilities of an upperclassman. The juniors have reached the time of the "great awakening". By the junior year half of the high school years are over, and the junior is now looking forward to being in the spotlight next year as a senior.

All students try hard to succeed in preparing themselves for adulthood. In each successive year the underclassmen accept their role in life more fully.

Advertisements

Here are our advertisers. These are the merchants whose patronage makes our yearbook possible. They help us present to the community the pictorial record of our school activities.

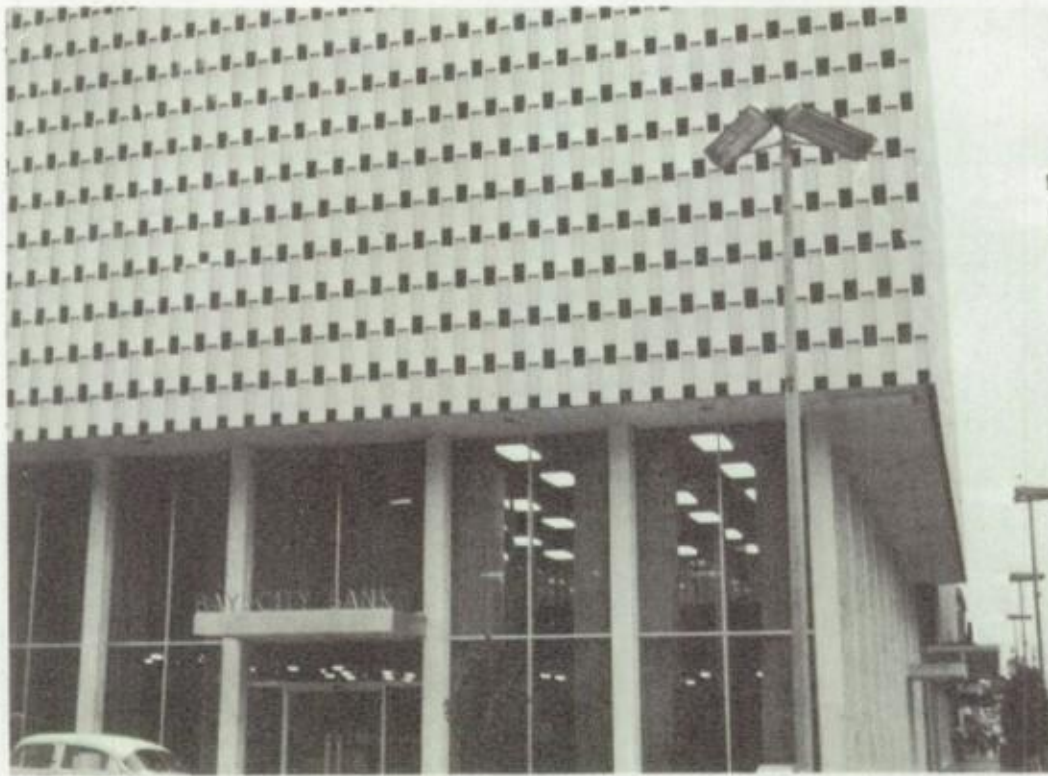

Because they realize that we also are their customers, these merchants wish to advertise in this yearbook. We are the consumers of today and, more important, of the future.

Patronize these merchants by purchasing their goods and services. We are fortunate in Bay City to have merchants who believe in modern techniques of selling as a means of helping us, the consumers.

"The codfish lays ten thousand eggs,
The homely hen lays one.
The codfish never cackles
To tell you what she's done.
And so we scorn the codfish,
While the humble hen we prize,
Which only goes to show you
That it pays to advertise."

You have just reached one of life's cherished goals -- graduation! What you do now is largely a matter of personal choice, but of one thing you can be sure . . . the knowledge you have gained and the work and study habits you have formed during the past twelve years of school, applied to your new endeavor, will go a long way toward determining the success you achieve! Good luck to all of you!

(Better & now as SHRI)
To a real sweet
girl that I've known it
all through H.S. Don't
forget 2nd yr. typing class,
and the boring times we spent
in the library. Loads of luck -
Charlotte

P.S. I have fun don't
at Delta, but don't
be to drowsy!!

Best of luck
To a real sweet
girl. Also I liked
your piano playing,
it helped me from
doing my lessons.
